Audited by	: CyRAACS
Duration of Audit	: 03-Mar-21 to 12-May-21
Project Owner	: Auction Focus Private Limited
Certificate issued on	: 18-May-2021
Certificate Number	: CYR180521

Observation: The above website has undergone Security Audit and is being certified to be safe against OWASP Top 10 and other web application vulnerabilities. The content audited were based on the temporary test URL mentioned above.

Security Assessment was performed in the below phases:

Phase 1 : Web application VAPT was performed on the above mentioned URL.

Phase 2 : Client has fixed all the reported vulnerabilities and provided the required business justifications for the issues.

Phase 3 : Validation testing was performed for verifying all the fixes on the application.

Business Purpose of the Application: E-Auction service and technology capable of handling all activities of e-auction viz. from collecting the bid forms Online to carrying out e-Auction.

Conclusion: The certificate is deemed valid only if the tested instance is moved to production as is with the recommendations and does not guarantee any changes made to the code thereafter.

The certificate is said to be valid only for the Executive Summary and Technical reports shared on 12-Mar-21. The business justifications and exceptions on remediation of issues have been mentioned in the Validation report shared on 12-May-21.
